

1 **AMENDMENTS TO THE DRAWINGS**

2 The Drawings are amended to eliminate portions of the dimensioning references
3 and comments. Reference numerals are added to correspond with the Detailed
4 Description. Formal drawings will be provided upon the Examiner's allowance of any
5 claim. Some written comments on the drawings may prompt a future amendment to the
6 specification with the written comments then removed from the drawings and
7 appropriately placed in the specification.
8

9
10 Six sheets of drawings were submitted with the original filing. These six sheets
11 now present numerical identifiers and Figure identifications for Figures 1 to Figure 11.
